% Standardbred bloodlines (must be at least 25%) .....%

DETAILS OF PUREBRED SIRE OR DAM OF YOUR PARTBRED STANDARDBRED – This is compulsory information.

Please write NRS after a horse's name if it is already registered in the Non-Racing Stud Book – that is the horse is a purebred but not freeze branded Standardbred.

It is possible that DNA from the purebred Sire or Dam is already on file with Harness Racing Australia. The following information will help us prove the bloodlines of your horse.

Sire: ..... Breed: .....

Freeze Brand: (brand) ..... Number: ..... (if applicable)

Dam: ..... Breed: .....

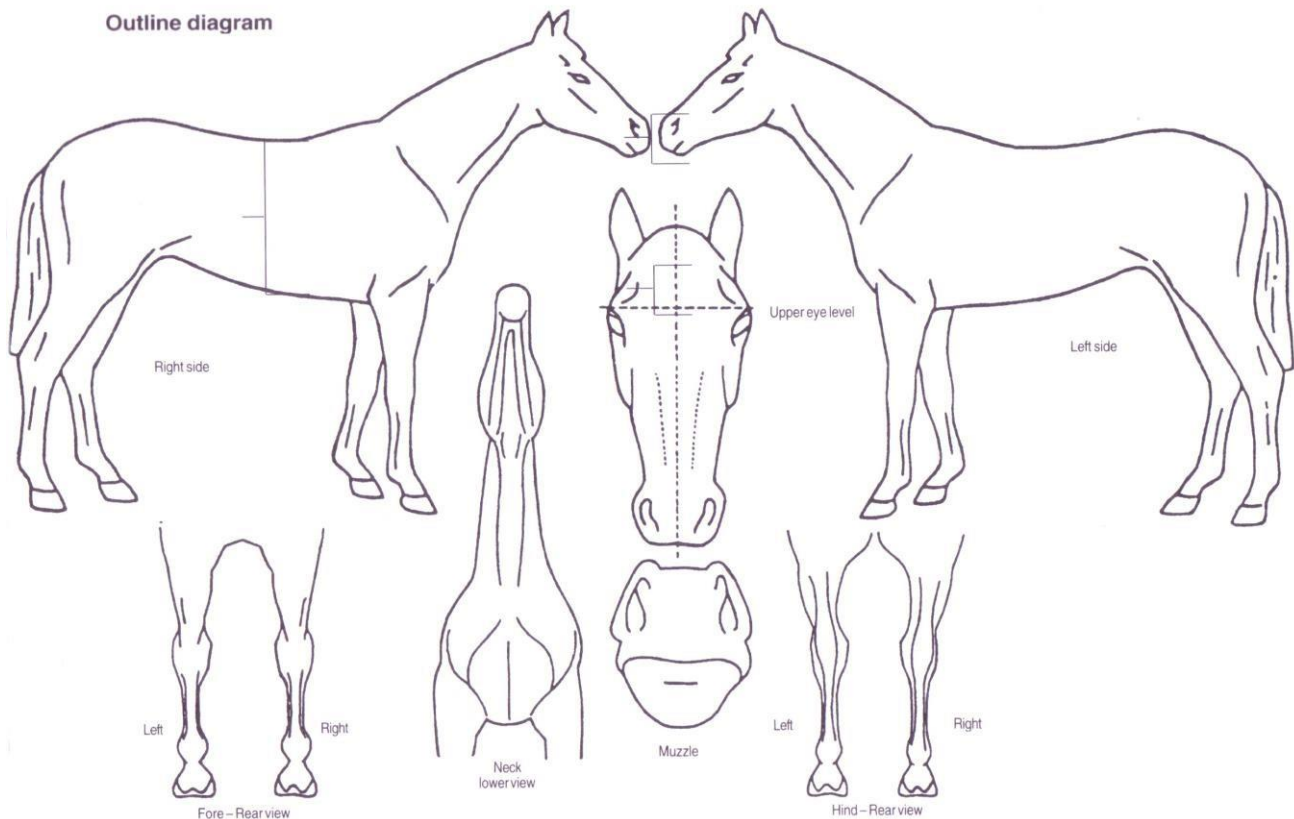

Freeze Brand: (brand) ..... Number: ..... (if applicable)

MICRO CHIP NUMBER: .....

**The DNA collection kit and form, with fee level advice, will be posted to you**

Return to: Form and photos of this horse To: Membership & Registrations at [contactspphasa@gmail.com](mailto:contactspphasa@gmail.com)

Outline diagram

**Please draw Private Brands and White markings, Whorls, and Scars (if applicable) as they appear on the Horse**

Please indicate if this horse is registered with any other horse association.

Name of Association: .....

Registration Number: .....

Brands: .....  
 .....

**NB** A good quality side on photo of the horse is required for insertion into the horse registration card. Please do not take this photo with your shadow in front of the horse.

Without this photograph we will be unable to register your horse.
